REMARKS/ARGUMENTS

Claims 1-10 are pending in the present case. As noted above, Applicant has previously responded on September 17, 2003, to the Office Action mailed on April 8, 2003, with respect to the above-identified application. Please consider this supplemental amendment along with the amendment and remarks from the previous response.

By this supplemental amendment, Claim 7 has been amended to add definitions for n and m which, by virtue of a typographical error, were omitted from the claim. Support for this amendment can be found in the specification as originally filed on page 6, line 9.

This amendment does not change the scope of Claim 7. Nor does this amendment affect the remarks from the previous response of September 17, 2003. Based on the amendments and arguments in the previous responses, Applicant requests withdrawal of all pending rejections, and allowance of the claims.

Respectfully submitted,
